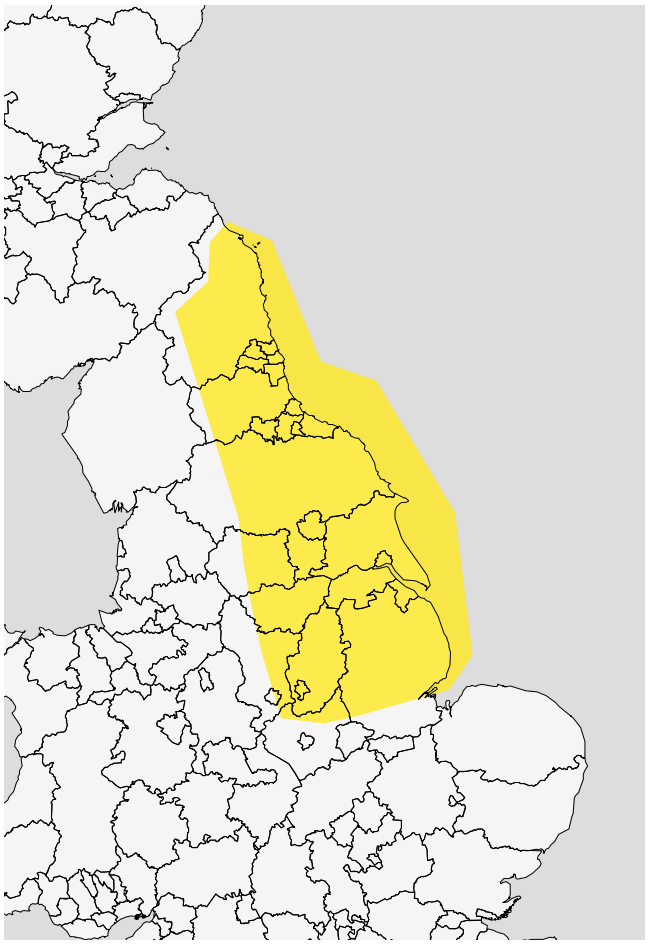
Yellow warning
Rain

Between
00:00 Wed 12 Jun 2019 and
12:00 Thu 13 Jun 2019



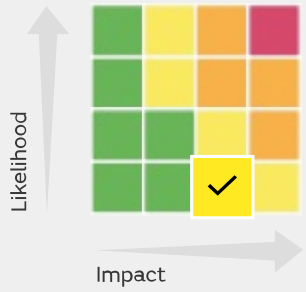
There is a chance that heavy prolonged rain could lead to localised flooding and disruption to transport.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads

Further details

There is a chance that periods of heavy rain may lead to localised flooding. Whilst some places may miss the worst of the rain, 20 mm could fall quite widely, with locally up to 60 mm. The heavy rain may also be accompanied by strong to gale force northeasterly winds.



Very low likelihood of medium impacts
